- 1 Inner layer**
Soft absorbent non-woven layer
- 2 Middle layer**
Efficient meltblown filter cloth
- 3 Outer layer**
Hydrophobic non-woven layer

INSTRUCTION:

1. Wash your hands before touching the mask.
2. Inspect the mask for holes or tears.
3. Hold the top side, where the metal piece or stiff edge is.
4. Ensure the proper side faces outward.
5. Place the metal piece or stiff edge over your nose.
6. Cover your mouth, nose and chin.
7. Adjust the mask to your face without leaving gaps on the sides.
8. Avoid touching the mask.
9. Remove the mask from behind the ears or head.

ATTENTIONS:

1. Do not use if the packaging is damaged or expired.
2. The mask is one-time use product and it is recommended to be replaced after continuous use for 4 hours.
3. The mask should be stored in a non-corrosive gas, cool, dry, well-ventilated and clean environment.
4. Please dispose the used masks safely.
